“ Carol and family, we are so sorry to hear of Ed's passing. Ed has been a friend, a colleague and a mentor for 40 years. Over the years we spent a lot of good times together and thankfully few bad times. As a mentor, Ed taught me a lot of good things and a few bad as well but I know he certainly helped me through my long career. Thinking back over the years, I can only count on one hand the times I saw Ed upset. He was always in a good mood and that easily spread to the people around him. Ed will be sorrowfully missed but always in our memories.

It was an honour and a privilege to work alongside Ed. You will never find a more genuine person anywhere. He was always glad to see us (as we were him), and he just made it so comfortable to be around him. He certainly watched out for us, and I appreciated that. I have so much respect for Ed. He earned it because he gave it, which is a quality that is severely lacking in today's world. We are surely going to miss him.

Thanks so much Anthony for posting these pictures of your Dad. I hadn't seen him in a number of years but always wondered how he was doing. Back in the mid 60's we hung around in the same group and I remember those Primrose days. He was a great dancer. Then in the early 80's I worked in admitting at Sydenham and we renewed our acquaintance. A good guy all around. He will be missed.
