I love you Aunt Ruth! I think of you all the time.. you were the most beautiful, kindest and loving woman that will never, ever be forgotten. We all have been blessed to have you in our lives.
You were always there for me and I felt like you were another mom to me.
Thank you for sharing your love of reading, I will always think of you when I open a new book.
You always gave us a good laugh with your comments on our FB pictures.. we loved you for it! We'd message each other and say 'have you seen what Aunt Ruth wrote?" and laugh and laugh. You were gold.
You have so many memories and you would share your life and wisdom with me. I will never forget when you called me after my husband left.. that call meant so much to me and kept me going at my lowest point.
I'm having hot dogs and corn on the cob for dinner tonight, just for you (our inside joke!).
You were/are greatly loved by many and you will always be in our memory. You were the heart of our families.. I'll never forget the hustle n bustle at your home.. cooking those big turkeys and being amongst all the people in your warm, loving home. (I will not miss the green cordial and 2 hours of dishwashing though).
Wherever you are you will be smiling.. we will meet again.
I love you

So saddened to read about Ruth's passing. I will miss her greatly. I only had the pleasure of getting to know Ruth over the past few years that I have worked at the Salvation Army. I loved her love of family and life itself. She always smiled so much as she spoke of times with family and places she had been and her love of camping. She spoke of how blessed she was with such a great family. I had the pleasure of meeting a few of you along the way and I know she shines through all of you! I truly wish I could have known her longer and I hope you all find comfort in the memories of such an amazing person. I am going to miss her and our talks so much.

I'm so grateful for all the memories we shared together. From our wonderful times at the trailer, to roaming every isle of the flea market Sunday mornings to going out to grogs for lunch. I remember heading down to the creek to catch up a bunch of frogs and cray fish and being soo excited to show you everything I caught and then you saying "oh I've eaten those before…" I loved our lunch dates heading out for burgers then hitting up the towns thrift stores and finding the best deals. You were the most friendly and kindest soul I have ever met and I'm so grateful for the 26 years I got to spend with you. I love you so much, I will miss you greatly.
