“ We both are going to miss Julia so very much! She was a person who always had time to say the right word of hope or encouragement when it was needed most. Although it has been several years since we saw her and Ed, she was faithful in sending greetings at special holidays and in our times of need, God be with you, Ed, You are in our thoughts and prayers, along with dear Dudley whom she greatly loved. Take care. Rev. Dale and Avis Gray, (cousins)

“ Dear Ed, Priscilla, Melissa, Mandy and whole family,

Our deepest sympathies, love and prayers are being sent to all of you. There are not enough words to express how much she meant to all of you and us.

Julia and I met over 40 years ago when Pastor Margaret Moriyama asked us both to volunteer in the childcare at church on Sunday mornings. Then we moved to St. Paul's Congregational Church where she continued to faithfully serve her God and church over all these years in many capacities.

She became a very close and dear friend during her time as leader of the prayer group. Only God knows how many people she has prayed for over her years. I will miss receiving her beautifully hand-written notes which she actually mailed or e-mailed for my family and I. She always reminded me that “she had my back” and what great peace that gave me knowing this as I truly believe she had a direct line to God through her prayers. She did this with such a quiet spirit, humbly and with so much love.

I know she will continue to pray for Ed, her family and all of us from heaven and that gives me great comfort, peace and hope. I am grateful for how much she taught me about faith, prayer (especially for others and each other) and I loved our sharing about our deep love for our families.

We will dearly miss her presence here in our daily lives but grateful that she is now rejoicing in heaven with Jesus and reunited with family gone before her. “Well done good and faithful servant”.

Farewell my dear friend and prayer angel until we meet again.

Gratefully and lovingly,

Sandra and Bill Charron

“ Julia was a true prayer warrior who wore her faith on her sleeve.

In early 2009, Julia surprised Don with a daily prayer package for himself and thirteen members of the PAN Missions joy team on a short term mission trip to Nicaragua. Don was able to share her message as an inspirational conclusion to our daily devotions.

Over the years of Stephen Ministry and Pastoral Care, Monika had the pleasure to get to know Julia and experienced her prayer books both personally and shared copies with ten different people. She learned from Julia's example the meaning of steadfast faith and prayer.

We will miss her.

Prayerfully,

Don and Monika Bruner

“ Julia was the Superintendent of our Sunday School when my children were little. As a parent with children in Childcare we were encouraged to take sign up to help out everybody fifth week or so. I would sign up and then most often forget that it was my week. She was kind and would gently remind me afterwards that it was my week. She was a forgiving person and non judgemental.

Our relationship deepened when she was the prayer warrior co-ordinator. She prayed faithfully for my grandsons, Jaxon and Jayce and throughout my daughter, Angela's pregnancy concerns.

Covid caused an even deeper bond. We corresponded through Messenger. I found her to be a God fearing woman. She had a sense of humour too.

There was a quietness about her that brought calm to those around her.

I will miss her terribly but I am happy that she is with the Lord whom she loved.

I shared a vision that I had regarding her one time during prayer a few months ago. I don't think that she would mind me sharing it.

Jesus was greeting her upon entering heaven with a huge smile. And he was holding the hands of two kids who were smiling widely too and so excited to see her.
