“ Dear Jackie, Bill, Karen, and family,

Just a note to say how sorry I am of the passing of Alan Welsh. I've been priviledged to have known the Frank, and Jackie Welsh family for years dating back to public school.

It was the Welsh family who introduced me to Church, and Sunday school at the First Baptist Church, Wallaceburg back in the 60's. When mom and dad would go curling on a weekend Bonspiel, Cathy, and I would spend most of the weekend with Jackie, Frank, Janet, and Alan. I spent some of the funnest times of my childhood years with the Welsh family.

I really got to know a lot of folks at the church through Jackie, and Frank, because they knew just about everyone.

On the weekend, Alan, and I would often go to either Sarnia, or Chatham to the show, and then back to the A & W drive in for a burger, fries, and rootbeer, afterwards. Those were great times during our high school years, especially over the summer break.

I remember that Alan always worked hard at his school work, and that paid off in the end, as he was one of the 12 Ontario Scholars in our 1978 Grade 13 graduating class from the Wallaceburg District Secondary School.

I remember Alan as a great guy, a wonderful friend from school and church, and a person who knew and loved God, as his Lord and Saviour.

May God Bless you Jackie, and give you strength, and peace, as you've been through so much in the last while.

Yours truly,

Steve Liddle from Don Mills.
