“ So long our cousin, Little Boy, Albert Johnson. We have many memories of you. All happy for you were a happy soul. I remember Aunt Ethel scolding you as a child, and you laughed it off as nothing made you angry. Aunt Ethel loved her Little Boy, and she did the best she could for you. We loved seeing you for you were always welcoming to your Michigan cousins. We know you're laughing right now, and joking as you see kinfolk, your Mother, sisters Alberta, Frances, cousin, Mitch, and many more. Even though your gone you make me smile for I know where you are. God be with you family Little Boy. Missing you.

“ *Yu were the most brightest, silliest and Loving great uncle Ive ever had. Yu made me laught and Smile when I didnt want too. Yu were the only one that called me Tiffy, after Momtie Jaclyn passed away 4yrs and 18days ago today. Yu always gave me yur Loving and Caring hugs about 30 to 50 times in a whole day. I never complained bc Yu were the only one that hugged me when we havent seen another for Days, Weeks or Even Months at a time. Ive never gotten hugged like that in so long. We have wonderful memories together when I was young. I use to come visit yu and gramma Franny for the day. Yud ask me if I wanted to go for a bike ride(Double Ride) with yu to the Pit Stop and Said I could get a few goodies too. I will sure miss them and Miss yu. Yur finally free from pain and On yur way to yur journey now to met up with the other family. Ill never forget about yu Uncle. I Love Yu and I Miss Yu Like Crazy Uncle. Ill see yu once again one day. Rest Easy!!*
