“ My clearest memory of my papa was when I was about 5 or 6. He told my sister and me that dandelions were his favourite 'flowers'. Sure enough, behind their house in Port Lambton, was a field full of them. We picked dandelions for what felt like a very long time back then, put them in a basket, and returned to him with a bunch of weeds awaiting his reaction. Needless to say, he didn't disappoint. Miss ya bert.

What a great happy-go-lucky guy Bert was. I'll always remember his infectious smile and helpfulness while I was working for Lori. I can still hear wee Kayla's squeals of delight when her special papa came for a visit ... or better yet, when he came to pick her up to go somewhere. You will be missed Bert!!

“ *My deepest sympathies to Barb, Lori, Bob and grandchildren. Bert has left you, but only for a short time, One day you will meet again, and 'that' will be for eternity. He has left you all with lots of fun, cherished, loving memories. How lucky you all have been. That time of my life when the Murphys were such a big part of it, is a time I will never forget, I had so much fun, Thanks for that "nod of approval Bert" :) Love to all of you, xo Patti Zruna*

“ *My sincere condolences to Barb and family. Got a call from Gary Vickery last night and we talked about meeting up with you guys in Sept. but it was not meant to be. Bert and I go back a long long ways and have lost contact with each other over the years. I can still remember all the good times and memories we had in our young teenage years.
It sure was a pleasure and makes me proud to have known Bert.
Sincerely, Mike McNaughton.*
