“ *To all of the Lubbers family, Jamie and I are so sorry for the loss of your mother and grandmother. I got to know Alice over the past few years, and she was a truly wonderful and kind lady whom I felt lucky to get to know. Her and I visited on the phone, and at her home several times, and even when she was sick, she worried about me and my cancer and had so much caring and compassion for me. She was very special, and will be missed by family and friends greatly. Heaven got a bit brighter, because it has gained another star. Rest in peace, my friend.*
