

Andy Howell

September 26, 2017

It is with great sadness and heavy hearts that the family of Andrew Grant 'Andy' Howell announce his passing at the Chatham-Kent Hospice on Tuesday, September 26, 2017 at the age of 56. Andy was the owner and operator of Howell Welding & Tank Mfg. Inc. Despite his gruff exterior, Andy was a kind and generous man, a real teddy bear inside. He is the son of the late Russell Victor & Florence Louise (McGaffey) Howell. Beloved spouse of Kathy Roelans. Loving father to Ashley & husband Cesar, their son Elonzo, and to Larissa and Tinesha. Dear brother of Larry (Theresa) and the late Tim (Janet) and brother-in-law of Kevin & Linda Roelans and Cindy & Dan Bechard. He will be missed by his nieces, nephews, aunts, uncles, cousins, many friends and Daisy. The family will receive relatives and friends at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg on Friday from 2-4 & 7-9 PM. The funeral will be celebrated at the funeral home on Saturday, September 30 at 11 AM. Cremation to follow. Those wishing to make a memorial donation are asked to consider the Chatham-Kent Hospice, which may be left at the funeral home 519.627.3231

“ I'll always remember Andy for giving me my first job in the trades at just 16yrs old, he trusted in me that I would get the job done right! As mentioned below he truly was a "character" guy, that everyone knew and loved. Most of all thanks Andy for being such a great friend to my father, I know your both in a better place now sharing a story and a good laugh!

“ Throughout our lives we meet hundreds of people. Many are neighbours and work mates. Some become friends and a few become best buddies. Mixed in amongst all these people are a select few that are also branded "characters" This small group bring out special feelings , just a little more fun to be around. Long after they leave us we still set them in that special group. We all have lasting good memories of "characters" Andy Howell was one....a damned good one. Bill and Ruth Urquhart.

“ Andy was truly an honest, kind, generous man. He was a hard worker and sure did achieve many things. Memories like going to Walpole island on a Sunday afternoon to keep a farmer going doing repairs. Years ago coming to some ones home to thaw out frozen water pipe lines. His good deeds go on and on. So many good memories and stories to tell. He was my (our) friend and we wil miss him. I will miss him driving his long horn convertible down town. I will miss our trips delivering tanks and our Buffalo NY trip picking up machinery. That is another story.

Reading all the nice comments sure tells the story. If we can only leave such a legacy as Andy, we would be so lucky.

“ *About 10 years ago, Andy saw my parents at a local restaurant. They hadn't seen each other for many years. My parents knew his parents. They had a friendly chat, then he went on his way. When my parents went to pay for their meal, they were informed that Andy took care of the bill. Just another example of his generosity and kindness.*
