“ Our hearts and thoughts are with you all at this time. Always will remember travelling all over ontario playing netball with Angie 25 years ago. She was always someone you could depend on.. Jackie & Dave Burnett

“ Angela always managed to add some fun to work when we were at sears together and I always laughed when she would be freezing outside having a smoke and I was fine standing out there keeping her company. She always made me smile and laugh. My heart goes out to Graham and her family. love Jill

“ I remember Angie when we worked at the Oak's Inn together so many years ago. She was always laughing, always happy and just a barrel of fun in general. Our sincerest sympathies go to the family.

“ Too many memories to pick just one, maybe the trips to Clacton to see Granddad, you eating winkles on the pier or seeing you at Sarnia airport after being separated from you for the few weeks when we emigrated. Watching you smile while I walked you down the aisle when you married Graham. All the good stuff. Paul.
