“ Dearest Uncle Peter, Anne Marie, Michael and Katherine and families:

My heart aches for you all as you grieve the loss of your mother and your wife, Uncle Peter. My thoughts and prayers are with you all. The family strength that your Mom and Dad generated and fostered during their decades together is the family bond that will help you support your Dad and each other as you move forward with broken hearts.

Nothing lessens the pain of losing a loved one but, knowing how they have touched the lives of others can be a small comfort. Please know that your family home on Murray street and your many campsites and particularly Mitchell's Bay, provided many happy childhood memories for me and our entire family. Yours was a loving home, busy with so much going on but always fun. It is funny what you remember as a child - when visiting the your family at Mitchell's Bay, your Mom made the best potato salad. All Aunt Anne's food tasted so good when we were outside, in the warm summer, having fun with our cousins.

When I think of your Mom, I think of her enjoyment of life's simple pleasures, the importance she placed on caring for her immediate and extended family and that she loved her siblings. including my Dad, her baby brother Bill (10 yrs her junior). I could see her demonstrated love for all of her siblings throughout her life as the eldest daughter. Losing her own father as a young teenager, I can only begin to imagine and greatly admire her contributions of care and responsibility to a single parent family for many years in the 1940s.

I am sorry that I cannot be with you during this sad time of loss. Thinking of your entire family at this difficult time.
