“ *There was an empty seat at my kitchen table last night my friend. Pam and I will miss our conversations when you came to visit and warm up or eat. It was just the day before we lost you was our last visit and wish we had more to say or offer. We were preparing firewood so you could be warm one more night. Just wish we had more time together to talk about life's adventures. Now God has called you home and no longer suffering. Miss you buddy and will all ways remember our times together. Rest in Peace my friend rest in peace*
