“ I will always be grateful for the friendship and love that Archi shared with me and my family. Here some photos from a couple of visits that Archi, Dom, and their family made when they came to see us up in Harbor Springs. She found bittersweet berries while walking along the lakeshore and created a lovely arrangement in a vase for us to enjoy. Thank you, Archi, for being such a bright light shining God's love on us all! With love, Sue Causley

“ ARCHIE, as I came to know you through our shared experience in The Lambton College Early Childhood Education Program and my visits to Walpole Island....you became an enduring part of my work... I had the ultimate pleasure of spending time with you and with your children as students in our program... My memories are endless... I felt loved by other members in your family.... And the endless wisdom you shared often painted with humour...

I always relish the Hummingbird Story you shared with me one summer afternoon on your deck.... I LOVE YOU as friend and storyteller.... May all your loved ones continue to feel joy in your silent presence... xx

“ My condolences to Archi’s family for your loss of a beautiful lady. Archi had a kind gentle personality and truly cared about others. I was one of those lucky individuals who received her prayers. Rest now prayer warrior and travel gently into the spirit world where you will meet those loved ones who have gone before you. You will be missed by all who knew and loved you.

“ *I was saddened to hear of Arlinda's passing. Archi and I went to school together many years ago, and have spoken to each other often since. I recall both her Mother running the store, and her father being so soft spoken. I also knew most of her siblings and all would take time to speak when they met me. What a wonderful family.*

My thoughts are with Dominic and the girls at this time.

“ Love my mom and all that she was in her faith, always praying for spiritual awakening in her community. A very Mighty Presence she was in her walk with God, I could not have been more blessed then having her as my mother-in-law (mom) as she referred me as Sonnyboy. Love you always mom,
