“ *Our sympathies to the vanMensel family. Also want to express our condolences to Lia as well. We would meet up with him quite regularly at the Sarnia Polish Hall for many years and later the West Elgin Dance Club with Lia, and we would always have a little chat and exchange pleasantries. With all his bricklaying and the building of so many houses, he worked very hard all his life! May he now rest in peace. We will miss seeing him.*

“ Our deepest sympathy and prayers to Frank and all the members of Armand's Family. Many Sundays Ed & I met Armand at Sunday Mass (Saturday 5pm) with Lia. I must say we very often met him in Sarnia at a favourite haunt of his & ours!!! Even at 90 life seems short when love has been experienced for so long. Ed often pointed out to me some of the houses Armand had built. He always added so you knew they were well-built. May you enjoy many good memories, through laughter & tears; & may our good God fill your lives with strength, comfort & love. Peace & Prayers

“ *Plenty of memories with Armand.*

Armand built our home in Sombra TWP.in 1972. He had a good reputation as a good builder. He surely had lots of practice. Frankie was just a young boy working with his Dad. I still have the labour quote he gave me on a slip of paper torn from his note book. Labour for framing, basement ,installing all windows was \$2395.00. Years later we wuld see each other at the Chatham market and talk. Armand had his favourite table and chair there. It was nice to meet up again after all the yrs gone bye. Our sincere condolences to his entire family.
