“ Art Dell was a friend..

He was not lazy and was a hard working front end glass house man for years.

Even when the glass house folded he found a job working many long shifts as a security officer working Christmas and holidays.

So many good memories :

Like the time I went to a Detroit Tigers ball game with Ruby and Art. Art knew all the ushers by their first names and before long we were sitting in the best high priced seats with a \$10.00 standing room ticket.

Sure enough we had to stop at a bar restaurant for supper on the way home.

Art knew all the cheap good eating places between Detroit and Port Huron.

Like the time Art and I went boating one afternoon on the big River in my boat..

We hit a few of Arts old watering holes states side and had lunch and returned home,

Sure glad we did that. It was a good day.

Like the time Ruby and Art visited us in Florida had lunch .

Later on after that Art and Ruby cruised on my ships out of Florida. He would come home and tell me all about them and which ones were the best.

R.I.P. my friend

Our sincere condolences to Ruby

Our thoughts and prayers are with you at this very difficult time,
