“ *Summer of 1972. Barry was ten years older than me, with a huge mop of curly hair and an electric guitar. He taught me and Sherri how to play "Smoke on the Water," by Deep Purple. For almost 50 years now, I have thought of him, every single time I heard that song.*

Sherri, Vicki, and Stacy, I have fond memories of our time as neighbours, and I am so very sorry for your loss. Thinking of all of you.
