“ *Danny and I were blessed to become friends with Betty and Steve many years ago (we met through Tom and Jan Johnston). Betty always had a smile and a warm hug for us whenever we visited and always kept us laughing with stories of her and Steve's past adventures. She made the most amazing baked goods and always sent us back home to Ohio with a huge box of them. Betty was a great source of comfort and support to me this past year after Danny passed. I will forever remember her laugh, generosity, and caring spirit (and her beautiful blue eyes). My deepest sympathy to Steve and will be forever grateful for the treasured friendship of both. Love and Prayers to all the family and friends of Betty. Love, Sandy Brennan*
