“ Greg and family, I'm very sorry for your loss. I remember your mom as being very quick witted and quick to laugh. I also remember how strongly she supported her boys at the rink. Greg I'll have a good thought for you and yours at this difficult time.

“ Greg Sorry to hear about your Mom. I worked with Betty in Microbiology for many years. She talked about you constantly. Whether it was hockey or grandchildren she loved being involved with you and family. She was like my mother at work. Always warm and caring. I could tell you lots of wonderful stories. I remember when she retired and we took her on the dinner cruise on the Thames river and she helped steer the boat. Of course she had to sit on the captains lap. Betty was a wonderful lady and she will be greatly missed by all who knew her. Mary Alpaugh London Ontario

“ Betty was a wonderful person. For many years I golfed with her. I went to her house for supper and then we would go to the casino. She was a happy go lucky person. Losing a wonderful person like her is a great loss to everyone that new her. She loved her grandchildren. My sympathy to Greg and his family and to her family also.
