“ Today we said Goodbye to this lovely, incredible man! He was the absolute smartest, wisest, so full of knowledge and really just a big kid at 87! I will miss you MY Papa, everyday, and remember every single word, phrase, joke, history lesson, and geography lesson you have ever said to me. May you be out of pain and suffering and now at peace. You are now reunited with Grandma and Melissa! May you Rest In Peace, MY Dear Papa!

“ I worked for Waltec for a few summers when going through school. Bill was always there with an smile on his face, and was was kind and helpful to the 'newbies'! He was just a sweet soul, and I looked up to him and respected him. He made a lasting impression. My condolences to the family.

“ Sorry for the family's loss .  
Not only was there a connection through Wallaceburg Brass & Waltec; but the Carrol family was our next door neighbour on Nelson St., in Wallaceburg. My brother Gord was in the same age range as two of the Carroll brothers. There was always something going on with The Carrolls, The Demoor boys (Lafontaine St.,} and Gord The third Carroll son was more my age and my friend. Bill was working at Waltec when I moved back from the Toronto Area.

*Our condelences and prayers are with all of the family. Bill was a great and wonderful man. He once told me when I was at my lowest, to "Always hang in there. Better days are ahead." I never forgot that. He will be missed by many but always and forever in the hearts of everyone who loved him. - Peggy Cooper Foster*

“ I'll never forget the times I had spent up at Sunny Beach when I went there with Melissa. Every car ride there was always a learning experience because Bill (Papa) would quiz us about different things or give us a history lesson or two. I definitely went home a little more knowledgeable than when I left.
