Oh Sharon and Marguerite what a surprise to see your note. Yes I do remember all the fun we had swimming off your dock as kids. I often think of the fun times we had together every time I drive down Grand Ave. Thanks for thinking of my Dad. We will miss him and I see from the many notes we will not be the only ones to miss him. Thanks Lynn

I also remember the fun times on Grand Ave in the Curriers home with Joanie and the Kids playing hide & seek, school, watching TV, and even some boat rides. I was there more than my place I've been told! Your parents were wonderful people. Will remember you all with great sadness.

“ So Sorry to hear of Bill's passing. He was such a kind man and have known him as a chiropractor all of my life. Mom used to take me as a child for treatments and as a grown adult I had continued going for treatments right up until his last illness occurred. I will really miss him. In deepest sympathy

“ We wish to extend our sympathy to the entire Currier family at this time.

(Bill, Joanie, Lee Anne, Lynn and your families)

Your Dad/Grandpa was a wonderful man, a good friend and great neighbour. He was always always charming and cheerful. He will truly be missed by us all.

On a personal note, I have so many fond memories of boating out at Mitchells Bay, and being in and out of all our neighbours houses when we were growing up. Your Dad was an awesome cook! Do you remember playing freeze tag and soccer in the back yard in the summer, and your Dad would surprise us by unexpectedly turning on the in-ground sprinkler system? I can still see him laughing at us!
