“ Remembering how my bog brother took me fishing in a boat and still regret to this day that I speared his foot as I missed that muskrat cuz he screamed at me saying these are brand new eh! A lil'man from the Chicago hood that was taught his Native heritage through a foster brother which I've never seen him that way, my tears are bottled up and will always keep you in a safe place, in my ♡, never will I forget you my brother, happy journey, I'll see you again passed those Heavenly Gates, I would like to hunt with you again but up there I don't think God will let us kill, I miss you already even more big brother, I love you dearly
