

Bob Harris

June 12, 2021

It is with sadness that Robert Charles 'Bob' Harris passed away suddenly in his home in Chatham on Saturday, June 12, 2021 at the age of 81. He is predeceased by his wife Isobel, his daughter Andrea and his sister Patricia Braun. He is survived by his Children Deanna (George), Odette (John), Robert, Michelle (Fred) and Kevin. His grandchildren Amanda, Michael, Robert, Christopher, Jessica, Ethan, Taylor, Payton, Taurin and Zayn. His Sister Barbara and many nieces and nephews. Bob lived a free lifestyle and had many hobbies and cars over the years. His favorite place was British Columbia where he travelled to many times with his family and planted roots there for a few years after the passing of his wife. Bob had many friends and in recent years relied on their support for the transitions in his life. Cremation has taken place and a celebration of his life will be held later this year by his family. In lieu of flowers the family has requested a donation to either the Heart and Stroke foundation or the Canadian Cancer Society. "The travelling gypsy can now meet up with his beautiful butterfly." “ *Condolences from the Hendrickson family.*

Very happy that Mom and Uncle Bob were able to spend more time in the last few years, having conversations and lunches together. And that he was happy and content with life.

Memories that Mom said him and Aunt Pat were close as children, also about him liking to drive a long distance and the bargain hunting as Tracy mentioned.

Take care ❤️

“ *Grandpa would always bring me things home from garage sales he would go to. I think I got my garage sale and thrift store hunting skills from him! Love you so much and you will be dearly missed.*

“ *I remember Uncle Bob and my mom loving their deals! Garage sales and flea markets galore. My mom loved having her brother living close to her, they enjoyed each other's company during their golden years. My condolences ❤️*
