“ We send our condolences to a family who will remember their mom as a loving, caring, and sharing person. We shared happy times at school and then reconnected again back in Wallaceburg Aquafit , and reminisced on past years and family growth and success. I'm so glad to have shared part of her life. May God grant you his peace in Bonnie's homegoing victory-no more pain or tears. God bless. Grant and Margaret Martin

“ *Bonnie was a most amazing person. She was very strong, determined, met life's problems with a sense of humour, and never complained. Instead of becoming dependant after losing both of her legs, she became stronger than ever. She remodeled her house, and even bought herself a van so it would be easier for her kids to transport her, rather than depend on taxis, or go by the bus to where she wanted to go. She also coped with husband Bud, who also lost his legs.*

I have a lot of admiration for her life.

We were early childhood friends, we worked together one summer at the Rondeau Pavilion. We attended each other's weddings.

When our children were younger, we got together at the farm, and swam in their beautiful pool.

She was a very devoted wife, Mom, Grand Mother, and Great Grand Mother, also with her friends, and her's and Bud's siblings.

Bonnie, I will always remember your courage, and determination.

, You were a very exceptional phenomenal person.

I am sure you are running right now in Heaven toward's Bud, and to all your dearly departed.

Much love and I will miss you. Sally King Clements
