“ To Nirvana, Deon, and Kali-Mae:
*I want you to carry this with you for the rest of
your lives.*

Your mom loved you with her whole heart.

You were her pride.

You were her joy.

You were her purpose.

*Every story she told, every plan she made, every dream she had —
all of it came back to you three.*

She wanted the world for you.

*She wanted you to grow up knowing you were loved, protected, and
surrounded by family.*

And I want you to know something else: You are not alone.

*Your mom’s love didn’t end here. It lives on in you — in your smiles,
in your strength, in the way you love each other.*

And it lives on in us.

Your family will walk beside you.

We will remind you of who she was.

We will tell you her stories.

*We will make sure you grow up knowing exactly how much she
loved you.*

You carry her forward.

And we will carry you.

*Today, as we gather to honour Brennae, we honour the love she
gave, the joy she brought, and the memories she leaves behind.*

*We honour the young woman who faced life with courage, who
loved fiercely, and who will never be forgotten.*

With all of my ❤️ Auntie Chris
