“ I had the privilege of nannying for Brian and Erica when the kids were small, and it was such an honor to work for such a kind, generous and caring family. Brian was a wonderful dad to Chase, Summer and Channer and always had a smile on his face. In more recent years, I have seen the family at the Tilbury Auto Mall with the boats that Brian loved. I am sorry for the loss of such a great dad and husband, and you are all in my thoughts and prayers. Please reach out if you need anything- once a nanny for you, always one! Rest in peace Brian.

“ It’s hard to find the words to express what Brian meant to us. We shared so many cherished moments—our regular family dates, cross-border shopping adventures, countless dinners, boat talks, and the thrill of finding great deals together.

Brian had a rare gift for making everyone feel special and loved, and his infectious smile could light up any room. We feel so lucky to have had him in our lives.

You were truly one of a kind, Brian, and the world feels a little dimmer without you. Rest easy, dear friend. Until we meet again.

“ Speechless, shocked, in disbelief, sad are a few ways to describe how I've been feeling since hearing the news.

Brian, we met just 4 years ago when I started with Preferred. I remember our first few encounters being on the awkward side trying to get a feel for each other but it didn't take long to build a rapport and be able to joke and laugh with each other.

My fondest memory is from a few summers ago randomly bumping into you at a house party in light house cove, catching each other off guard and by surprise and having a big laugh about it. You have a smile that can brighten anyone's dark day, a personality that's contagiously fun to be around and a laugh that can fill the loudest room.

I'm going to miss the advice, jokes, laughs, and your friendly wave from your pick up in passing around the yard.

Rest easy, Mr.
