

Brian Slack

November 16, 2021

Brian Slack, a resident of Wallaceburg, passed away on November 16, 2021 at the age of 81. Loving husband of 58 years to Edith Slack. Brian was born in Sunderland, England, to Elsie and Joseph Slack. Predeceased by his older brother Joseph (2020). Father of Julie (Stevan) Campbell, Dianne, Clare (Dave) Babbitt, and Helen (Darren) Harvey. Grandad of Mark, Michael, Ryan, Andrew, Macey, and Allie.

Brian was a Millwright and Mechanical Engineer in England. After emigrating to Wallaceburg in 1982 he managed several different factories in the area for 25 years, making countless connections with many people. Brian was a faithful member of St. James Anglican Church, where he served as Warden for numerous years. He was a Rotary member for over 20 years, including three terms as President, and he was instrumental in bringing the Doctor Recruitment Program to fruition.

On Saturdays you could hear him cheering on the Sunderland FC "lads" while watching British football. In his spare time Brian used to enjoy fishing, playing solitaire, and doing crossword puzzles. He could fix anything around the house, and he spent many hours outside in the summer tending his gardens or reading the paper on the patio. Though his health struggles in recent years caused him to be a shadow of the person we knew, he remained gentle, grateful, and easy-going. Our Husband, Dad, and Grandad will be missed by those who loved him, and by many who knew him.

Brian's family would like to thank Dr. Perkin and the staff of the Courtyard at

Fairfield Park for the care given to him.

Family and friends are invited for visitation at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg, on Monday, November 22, 2021 from 5-7pm. Visitation will continue at St. James Anglican Church (719 James, St Wallaceburg) on Tuesday, November 23, 2021 from 10am until the time of funeral service at 11am. Due to Covid-19 restrictions, reservations are recommended and may be made by clicking here > <https://si.gnup.com/go/KzfYKSe> < or by calling the funeral home (519-627-3231).

Masks and social distancing are mandatory. As an expression of sympathy donations to the Alzheimer Society of Canada may be left at the funeral home. Remembrances and stories may be shared with his family on his tribute page at www.cavanaghfuneralhome.com

“ Edith, girls and your families I am sorry to hear of Brian's passing. I know his last few years were a struggle for all. I worked at the Oaks when Rotary had their meetings on Thursday evenings and I served their meal. He was always gratefull for everything we did for them. Condolences to the family and know he is now at peace.

“ *Condolences to the Slack family.*

I first met Brian through my father Glen and his association to the Rotary Club. Dad invited him out one day to the farm to witness corn harvest. Brian's inquisitive engineers mind wanted to know every detail about the amazing machine called a combine. Calling something a thingamgig wasn't enough detail for him. During unloading my attention was diverted and next think I know Brian had climbed up to the top of the combine to inspect the grain tank being unloaded. Being concerned for his safety I told him to be careful. His response was how was he going to get a complete understanding if he didn't get up close.

I told him to get down from there before I was forced to write him up.

His response was he thought this was a non union shop.

I think this story tells us what a great guy he was.

May this and I'm sure many more memories lighten your burden at this difficult time.

“ *The way your dad looks in the photo is how I met him. I remember our first phone conversation. It must have been around 2000, and we immediately hit it off. He was the best business partner I ever had and later became my friend. I had the greatest respect for him and it is a great pity that this friendship could not be further cultivated due to the great geographical distance between us. I hope, Edth and Clare, that you and your families and siblings will have the necessary strength to get through this loss of a loved and respected person. I would like to express my condolences to you. May he rest in peace.*

“ I have known Brian as a customer for many years, and also during the time I had spent working with him on the physician recruitment program. Always a wonderful person to speak with. A gentle and caring person for others, but mainly his family. You were blessed to have him as a husband and father.

Our thoughts and prayers are with you Edith and girls.
