

Bruce Richards

March 27, 2026

David BRUCE Richards of Port Lambton passed away in London on Friday, March 27, 2026 at the age of 79. Bruce was the son of the late John and Margaret (Bruce) Richards. Loved father of Jake Richards (Andrea) and Jenny Oliver (Jamie). Dear grandfather of Jackson Oliver (Darcey). Brother of Jim Richards (Bev). Bruce was a member of Boilermakers local 128 and had worked at Carber Testing and CEDA. He loved the outdoors, hunting and fishing and golfing. Rare was the day that Bruce came back from the water without his limit of perch.

Family and friends are invited to gather for visitation at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg from 6 – 8 pm on Wednesday, April 1. A graveside committal will take place at McDonald Cemetery in Port Lambton on Thursday, April 2 at 1 PM.

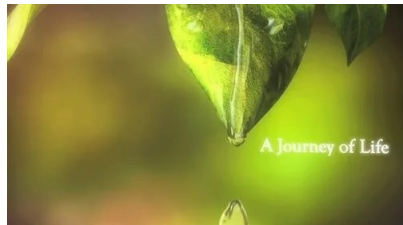

If you wish to make a donation in his memory, please consider the Westover Treatment Centre.

Cherished stories and tributes may be left for the family at www.CavanaghFuneralHome.ca

“ *We were so sorry to hear of Bruce's passing. We watched him growing up, and become the fun-loving, compassionate person he was as an adult. He looks so much like his Dad, and that brings back so many memories too. Our sympathy to Jim and Bev, Jake and Jennie. Hugs to you all.*

“ To Jim, Bev and Bruces' Family my deepest sympathy and warm hugs.
Bruce and I have been friends since childbirth...but I'm older...by 20 days! We often shared our cribs and our childhood days! Many wonderful life memories!
But now...I'll just say - see you later my dear friend,
Love, Pam xox
Rest in peace Bruce

“ Our deepest sympathy goes out to Jenny and all of the family in the loss of your father. We are sure that he will be greatly missed. Please accept our condolences.

Jim & Bet Myers - March 29 at 10:46 PM

WN

“ Hello to the Richards family, sorry for your loss. In my early years, I was told “Bosco” (Bruce’s nickname back then) had dated my mother. Later in life had the pleasure of meeting him again. He convinced me to work with him at CEDA n the rest is history. He definitely had a wealth of mechanical knowledge as Dan had stated. Was a great experience to have known & worked with him. Thank you, we’ll see you later my friend!!
