“ After spending the last few days on the island, I was reminded of my visits many years ago. We would cruise the island in your Jimmy, take boat rides to Algonac and best of all I made many friendships along the way.

I last spoke to you at Nirvana's baby shower. We spoke about my illness, you wished me all the best and then we laughed about something silly. Thanks for coming into our family and bringing Kelsey and Chesney into our lives. Rest easy Cal!

“ Uncle was a very kind, funny man. When I was a kid he use to come looking for me to see if I needed money for anything. He thought he needed to take care of me bc I was a goddaughter. I'm very thankful to have spent my childhood with my cousin's Kels & Ches. He gave me stability during a time in my life when I didn't have it. #ForeverLoved

I am Calvert's cousin, Theresa Lumadue. I would visit Calvert when I would come to Walpole. We would talk about when we were kids. I think of Calvert like a butterfly as this quotes say, Your life is like a butterfly; it has to go through changes before it becomes beautiful. Author Unknown

He was and now a beautiful butterfly. Free to fly from this world pain, sorrow, & misery of this old body to heavenly bliss forever. I will see you soon. love you cuz

“ I will miss the phone calls to see how I was doing at work, the breakfasts at Papa's Place, his jokes and laughter as well as his serious moments. Last time we spoke was about 9:45am that morning at Papa's Place. He was laughing hard. Rip my brother. Rip.

“ *I remember Calvert, Conroy, and our Aunt Barbara coming to our parents home Lloyd and Hilda Williams. They were there to visit and the boys looked cute in their silk Chinese jackets. They stuck next to mom sitting in the dining room. It was great to see them. Funny how little things come back to you after 60 plus year's.*

Going to miss you, you always seemed to sneak up on me in your truck and then say hey Bucktown and startle me! I am going to miss that, he also never missed an opportunity to embarrass you, if he could. Are you leaving the Mexicans alone he would ask? Are you behaving yourself, I usually said, "No" He said, good girl, enjoy life! I am sure he had rough spells in his life but he was always the same with a smile, crazy joke and a kind word.
