“ The greatest memory my mother has giving me was how to scare all the boogy man away. She was a great mother and she taught me everything I know about being a mother myself. You will always be with me mom. I love you.

“ *One of my many memories is how she loved to dance everytime we went to a family function. No one could ever keep up with her when she was stepping (jig) ...they would line up and she would tire them out one by one. Im sure she is dancing and will for awhile. Till we meet again...love always.*
