“ We are so sorry for the loss of such a great Wife, Mother, Grandma, Sister, Aunt, and Friend. She will be so sadly missed. I spent a weekend at her place at Sombra with our son Dillon and she was simply The Best!. I will keep that memory with me. I am sorry I could not make it to the funeral but I just wanted to let the family know how much we all will miss such a gracious, wonderful person. God Bless your family.

“ John and family: We were sorry to learn that Carol had passed away and our sympathy to all the Dutot family. We reflect with fond memories all the fun times we had in Chatham at staff get-togethers, church suppers, Christmas parties etc. Your time in Florida and living by the St. Clair River certainly brought you many years of pleasure and enjoyment. Thinking of you during this time of sadness and may the love of family and friends give you needed strength during this difficult time.

“ Dear John, Michael, Lori, and Wendy although it has been some years since we have shared a laugh your mom's photo brings back a lot of memories. Many of times I remember that laugh often at the things your dad would do or when the dog just scooped your dad's burger from the hall table. Your mom was a beautiful person whom I will always remember as a happy go lucky mom who's focus was always on her children. Yes John she took great care of you but mostly I remember her always laughing at the things you did. I know you were great companions who enjoyed each other just the way you are, I remember also visiting you guys on the water and seeing the contentment in Carol's eyes to finally not be living at a funeral home. Our thoughts are prayers are with all of you at this time.
