“We are so very sorry to hear of Cathy's passing. Our thoughts and prayers are with the whole family at this difficult time.

We enjoyed visiting with her at the latest Selkirk Historical fair and hearing her talk so lovingly about her family, her newest grandbabies on the way, her wee dogs and plans for next year's fair.

She will be very missed."

“ Dear Scott, Lorna and family I do not think there is a thing I can say that has not already been said a thousand times about how wonderful your Mother was. For me going back to early 80"s and the good ole Fiesta days I can only say I have a smile on face of all the memories and the fun we all shared. Karaoke at the Rovers , Crochet classes , home parties and of course Halloween was always the very best ! Cathy did not mess around when it came to her costumes or her friends costumes , it was serious business and tons of fun. Thankful she remained part of our family through out all those year, popping into what now is James Street Eatery to see us and talk to James. My heart is broken , but a broken heart means you have lost someone you really loved. Only time will heal but you will never be forgotten. Thank You Cathy for sharing yourself around the town of Wallaceburg, with all the hugs you gave, the infectious smiles and the laughter. xoxo God Bless her family and dear friends as they mourn her loss R.I.P.my friend R.I.P. “ I met Cathy when Edward and I first moved to Wallaceburg back in 1985. I was pregnant with our first child Irene. We went to the Fiesta for lunch. She was so very friendly, giving me tips and all. Later, when Irene was born, I remember laying her across the table as we had lunch. Cathy was more than willing to take some time to hold her. As the years went by she met each of our four children and we spoke often. such a kind and wise lady. She put her all into everything she did. I am certain she will be missed by many. My condolences to her family, and to all who loved this special lady.

Feisty and the energy of a teenager she brought smiles to everyone that looked at her. Her legacy could be - 'live the life of a Cate' and you'll have no regrets. It's absolutely clear within her family she planted the seeds of what it is to be a human being and 'playing it forward'. "Two people were in a room looking outside through a window with bars..... one only saw the mud yet the other only saw the stars" Cate, you always saw the stars.*
