“ We want to extend our deepest condolences upon the passing of Charlie. We remember Charlie as a kind, gentle, compassionate soul who enjoyed visiting, local history, clocks, sharing his ideas about numerous topics, and family. His smile and consideration for others were truly contagious. We know that he will be missed dearly, but also that your lives must be filled with wonderful memories to hold dear. “ Grant families. Our hearts are heavy. Finding the right words is difficult. I have lots of great memories from the Grant farm. A walk down the field with Charlie was a gift. No matter what the conversation was there was always something to share, a little humour, and lots to learn. Charles' life provided something special for each of us. Please find strength in all of the positive memories.

Sincerely,
Rick & Kate Hagen

“ *The old Sombra Township has lost a great man in Charlie. He exemplified the best qualities that we all should aspire to and he topped them off with his sharp, quiet sense of humour. We can remember all the fun and serious times we've had with Charlie and you, all good memories. We're thinking of you at this sad time, Marilyn and your family, and remember his life as being well lived.*
