“ *I first met Ron in 1967, and many times since then, last when he played the electronic organ at his granddaughter's wedding. I remember Ron as loving and fun loving.*

“ *My heart goes out to his family. I met Ron through his son Phill in 1967. From visiting Phill at their home and their fish and chip shop in Langford I remember Ron as jovial, friendly and caring - all qualities Phill shares today. My last memory of Ron is him playing the electric organ for his granddaughter's wedding only a few years ago and I consider myself fortunate to have been invited to share that moment.*
