“ So very shocked and saddened to hear of Clifford's passing. He and Alice were such dear neighbours to my parents Elzeor and Lucille Caron. I believe Clifford went to the one room schoolhouse "Thornhurst" with my dad who often spoke of those days gone by. This is a very beautiful tribute to a very honest and honorable man who was also my nearest neighbour on the Holt Line. Sending blessings and heartfelt sympathies to Clifford's daughters and their families.

“ Dear Uncle Clifford. You met so much to so many. I am saddened to hear of your passing, and I regret being unable to attend your celebration of life.

Your gregarious smile and twinkling eyes I cherish as do many others as I have read in your tributes.

I recall one year my dad dropped of a dozen or so chickens unannounced on his way to work at Lambton Generating station one morning and I heard you scratched your head for quite a while after opening the chicken coop door and finding your flock had doubled in size overnight. I worried this might have triggered the start of your hair loss but don't think it was my dads' intention :)

I also recall hide & seek in the barns on your farm and hickory nut picking at Uncle Claytons with Janice, Geraldine and Sherry.

Jancie, Geraldine & Sherry.

You, grandchildren, Alice, Christ the lord, Salvation Army, farming, school bus driving and camping are all reasons for that wonderful lifelong smile and sparkle in Clifford's eyes. The tribute video you put together is a marvelous testament to a life well-loved and lived.

Our thoughts and prayers will be with you all. Sincere condolences. Wishing you all love and peace always. Rest in peace Uncle Clifford!
