“ *What a sad time for all of us, Even though I only knew Connie for a few years I will miss her marvellous laughter and wonderfully dry sense of humour. She had the ability to make you want to laugh with her; that angelic yet impish smile just drew you in. Always enjoyed her love of music and kind demeanour. "Go rest high on that mountain Connie" We love you and miss you. Please accept my sincere condolences Don, Vickie, Jim, Bryan and families.*

“ *I can't remember a time where my dear Aunt was not laughing and enjoying the company of friends and family. She is missed by all of us here.
Luckily we have good memories to soften the loss. I remember times at the farm, times by the river, the time my brothers and I tried to scare her by sneaking up behind her late at night when she babysat.
We loved it when she babysat.
Our heart goes out to all her family and friends.
Love you all*
