“ *It was always a family tradition when we were little kids, to gather on Sundays and at Christmas, at Grandma and Grandpa Shepley's with all of our cousins. As we aged and had children of our own, we rented a hall for Christmas celebrations. Uncle Dale always took on the role of Santa and gave the gifts out to all of his great nieces and nephews. He loved it as much as the kids did! Gail, Doris, Billy and Dale Jr., we send our condolences and we wish we could hug you. I am sure Uncle Dale has met up with my dad in Heaven and they are laughing about old times. Kathy and Colin Miller*

*Uncle Dale taught me how to read "with expression". I used to walk to Grandma Shepley's from Holy Family and he would be there. He also gave me rides home from Windsor when I was attending university. Rest In Peace. Xo Stacy Shepley*

“ I always enjoyed golfing at Baldoon with Dexter Dale. I remember him waiting on the tee block leaning on his driver. It kind of reminded me of Patrick Roi leaning on his goal stick. Condolences to his siblings Donna, Rick and Chuck and to all of his family members.

“ My earliest memories of Uncle Dale are of him in his Navy uniform. He had tattl woos on his arms which was a rarity then. I found them intriguing. I remember Uncle Dale as a generous man. When we were little he would give each of the Shepley/Gilhuly cousins a minted coin for Christmas. I think he was as excited about giving the gift as we were about receiving the special coin. I never spent the coins. I still have them as he said they were to be saved as treasure. My condolences to Mary Louise and her family.
