“ Remember how Dannette loved her dad so much ,she gave her kidney to her dad , the love for him to live was so touching . Me and my niece had so many laughs. Gonna miss you my niece. I wish I could of been there to talk to you before you left to talk to you about GOD and to forgive others so your heavenly father can forgive you. So important to have somebody to talk to you before you leave this world. But I'm sure you made that talk to him.Im so happy you made that choice to come home for your grand babies, there gonna miss you deeply.
Love you dannette
