“ *My father was the most happy, loving and caring man in my world. He did everything and anything for his cubs and Gcubs. The creator took him too soon but we all knew it was eventually. There’s not a day that goes by I don’t miss him. I maybe the mild baby but I done so much for this man bc he raised me his whole life and it was my turn to make sure he was okay and had everything he needs and wanted. He taught me money isn’t a thing, true love is and I’ll teach my cubs that. We all did what my dad wanted us to do before he went on his journey. I love you daddy and I miss you oh so much.* ”
