“ *I can say I was blessed to b a part of Darryl's aka HOSS life. He was just one of them friends that could brighten any darkened room with his smile and kindness. I'm fortunate I have many good.memories of my buddy, it saddens my heart, I pray that his family stay strong and support each other. I pray our community gives them the support they need at this time of tragedy. And I pray that all of us that knew Darryl will share those memories with his children. So they know they had a amazing man as a father, and they grow up knowing how much he.loved them.all...that's the most important.. I'm gonna miss your smile and kindness.... RIP bro*

A few years back my family had the opportunity to make many visits down south (Parris Island/Camp Lejeune) and Darryl was always in our company. He enjoyed our visits probably cause we were from "back home". Always well mannered, courteous and with a quiet contemplation. Always on our last day in the South he would send a package of home-made treats for us and the long drive home. Baamaapii Darryl, safe travels and prayers for family, friends, and community.
