“ *Dave was the favourite person in our Byron neighbourhood. He always had a big smile for everyone and lots of interesting things going on in his garage. The classic cars were a magnet! So were all his projects --- such as re-upholstering his motor home. Our family enjoyed Dave's many interests - as well as the freshly-picked corn he brought to us from Commissioners Road and Highbury. We missed the Davis Family when they moved away and we always hoped that some day we could meet up with Dave and Bernice either at Port Lambton or in Florida!*

“ Dave always took time out of his busy schedule to stop & shoot the breeze each day on my walk. He loved living in Port Lambton and we were lucky to have him. He like his restored cars and especially proud of his portrait of Bernice hanging in the garage. We will miss his 'Big Smiley' Face. Rest In Peace...Dave.
