

David Grimard

January 5, 2026

David John Grimard, 54, passed away on January 5, 2026, after a brief illness. Born on October 13, 1971, David lived a life rooted in love, loyalty, music, and family.

David was funny, charismatic, and a man of action who carried the world in his footsteps. He loved deeply and gave generously, always showing up for the people he cared about. Though rough around the edges, David was a constant presence — steady, comforting, and protective. His love made people feel safe, and his family always knew he was there.

David met his first wife, Janice, in 1993, and together they built a family that would forever shape his heart. They welcomed their son Alex, born in Kingston, Ontario; their daughter Martina, born in Lethbridge, Alberta; and their son Beck, in Edmonton, Alberta. David carried immense pride in his children and loved them with a steady, enduring devotion.

In 2005, David met Stacey Erica Genereaux in Lethbridge Alberta, and with her, his family grew again. Together they raised five children who brought him immeasurable joy: Echoe, Derek, Maximus, Myles, and Justice. David's love for his children was fierce and unconditional — he protected them, celebrated them, and found his greatest purpose in being their dad.

Music was David's sanctuary. He loved to sing and play guitar, finding peace and expression through music. He won singing competitions and shared his gift freely, often using song to connect with others. He was a hard-headed softy — strong in spirit, tender at heart, and full of love.

David adored dogs, especially Daisy and Lily. He loved cooking for the people he cared about, filling his home with warmth, laughter, and the comfort of shared meals. Holidays were sacred to him, and he gave everything he had to make those moments meaningful. He carried his mother, Ellenor Barriage, close in his heart and spoke of her with deep love.

David is survived by his children — Alex, Martina, Beck, Echoe, Derek, Maximus, Myles, and Justice — his wife, Stacey Erica Genereaux; his first wife Janice Logan, his sister Donna, his numerous nieces and nephews and all those whose lives were touched by his love, laughter, and music. David had a very special bond with his mother Ellie and has missed her dearly. We take comfort in knowing they are together now. He is also predeceased by his father Donald Grimard and his brother Donald Jr.

David's legacy is one of devotion, generosity, and presence. His love remains a source of comfort and strength, and his music will forever echo in the hearts of those who loved him.

Rest in peace, Dad.

We'll love you forever, and ever. Amen.

“ Got to know David a bit in Lethbridge as he helped my elderly father with his snow removal. He was generous man whose word was his bond. A man of integrity with an entrepreneurial spirit. Didn't surprise me that after a successful cake decorating business and later snow removal/landscaping he followed his dream of going to Northern BC to explore for gold. Our condolences to the family.

“ He was there the first time my baby ate shrimp. I was really scared she could have a reaction but he assured me he would run her to the hospital if that happened. Literally run. And i believed him 100% because hes that sort of guy for those he cared about. Another time a little girl came up to him while he was outside jamming and asked him to play certain songs so she could put on her own little concert and sing for everyone. Those are my 2 best memories of him

“ all I have is memories of my dad, so I don't even know where to start. I remember him giving me advice, helping me when I was scared of the dark, I remember thinking; "Everything's okay, my dad's got me". I felt like I was untouchable with him, cause I was. I loved learning new things from him, and using them in my every day life. Having little meaningless arguments, and he'd say "There's no point in arguing with yourself".. I miss him so much, I am not looking forward to going on without him
