“ *I think of him almost everyday. I often think of him at 3:43. The last 3 digits of his phone number. I remember going for car rides with him and taking him him and there. He may not be related to me in any way but he will always be an uncle to me. He always called me niece and sometimes it's like he is here saying he is in a better place and he is ok. :)*

“ *Just learned of your passing. Called your number and got the disconnect. I miss the calls. Thanks for all the memories. Endless hours of road hockey, baseball, basketball, and any other sport we could make up. Dave Bing Sat. afternoons on channel 50, hockey ball marks on Albert's garage doors, marathon hockey games at Kinsmen park with the rest of the guys, camping in the back yards, etc. etc. See you Dave*

“ We just learned of Dave's passing. Our thoughts and prayers go out to all of his family. Pete has found memories of having grown up with Dave as a close friend and neighbour. Dave was a couple of years older than Pete and got him interested in raising pigeons! Dave had some beautiful birds/pheasants of his own and was an invaluable mentor to me as I cut my teeth learning how to care for these pets. He also helped me learn how to box... badly... with other friends in the neighbourhood!

My childhood was made more memorable and happier because this guy always made for me and spent time willingly with the little kid down the street. Thanks Dave!

“ We were truly blessed to have such a caring and kind hearted baby brother. We have many wonderful memories to hold in our heart. Our family will never be complete without you. We will always remember your many trips to the arena, ball parks and 4H shows to watch your nephews play. You take care of dad now and we will take of mom like you always did. LOVE YOU ALWAYS Rick and Deb Grieve and family

“ I went through public/middle and high school with Dave. He was a character even in public school. The harmless, class clown. always made us laugh! I lost track of him 30 years ago after high school but sounds like he never changed his humorous ways! Too young to die.....

“ Hard to believe that this good man is gone! I feel very honoured and proud that I had the opportunity to spend some of my life with Dave. I can recall his endless stories of his family, his Tigers and his nephews, he loved them all very much!

I never forgot Dave and thought of him regularly, I plan to continue this and I know he will bring a smile to my face - just like old times. My thoughts and prayers are with the family at this time.

I will miss you my friend.
