“ Nibs you are on your journey to the Spirit World, and watching over us. It's not good bye, it's baamaapii giga waabamin = see you later. We grew up together when we were kids living at Momma Colleen's. She took in so many kids during her time. We all used to joke around and call it the Orphanage. She was a great woman and helped raise many foster kids, like (Seneca.D, John.D, Shawn.P, Karlos.S, and myself Jon.T) R.I.P. Bro.

“ I remember taking a styrofoam box from his room and decorating the heck out of it.. all confident about it and he never let up about the fact I spelt “I love you dabdy”.

& When he'd tell me how proud of me he was, and when he thanked me for me a wonderful daughter. I love you forever and always daddy. I'll always be your 'baby gurl'. The kids will always be your klowns.
