“ *So sorry to hear of Daves passing. Worked with Dave many years at Navistar in the tire mounting crew he was a hoot, always had a story to tell and his laugh was loud and unforgettable. Went to a couple Red Wings and Tigers games with him during those years and had we always had a great time. Was hard keeping in touch after the plant closed but still ran into him a few times over the years. He will be missed by all who knew him*

“ Got to know Dave at TG Waterville, he was a coworker for our line production. He was fascinating, with his stories of work history and a first-rate worker. He enjoyed sharing his love of the Lord and the work of salvation in his life. He was so proud of his family and the values he instilled in them. He was so looking forward to retirement and travelling but life has a way of side tracking these plans we make. I will miss him greatly, but know he is enjoying all the benefits of Heaven with his Heavenly Father.
