“ *Cuzzo(that's what I called him) had a great sense of humour. I had this blond wig from a Halloween costume or something and he bet me a 100 bucks I wouldn't wear it from one side of town to the other. Boy wasn't he surprised when I walked in the back door of his place wearing it. He was laughing so hard he was crying. Other than slalom racing with Ryan behind the hospital that's one of my fondest memories of our time together. Cuz I know you are in a better place just know life won't be the same without you. Thank you for all the lessons even tho I may not have understood them right away. I love ya Cuz. Keep smiling and give Cousin Chris a big ol Ellie Mae hug for me.*
