“ *Diane was in my class over many years. She was always kind and a soft lady. I know she loved her family and was happy to have grandchildren. I remember that she also did charity knitting to make bandage wrappings for people in 3rd world countries. May she now rest in peace. I will have a Mass done for your mom.*

“ Not everyone is lucky to have a Great Grandma but when you do you cherish that person. Dianne welcomed Ryan and Erin into her heart. She always kept in touch, we will miss those long chats and remember the happy time Ryan and Erin had with Great Grandma. Her stories about what she was knitting and hoping to do. She was always happy and excited to host them and always checked in to make sure they got home safe and sound.
