“ Dear Roy, Doug, Ken and cousin Dorothy Adcock, I am Allan Black from 68 Bruce Street, London and retired at 112 Claremont Lane, Palm Beach Shores, Fl., 33404 - 1-561-842-0161. I have kept in touch with "Donald" as aunt Harriet use to call him and with a very fresh mind and excellent health at 88, I send my condolences, now i know why he has quit sending me the north country news. Ken was a great and close friend to me and I followed him from his store at Don Mills I believe and we later met on the road as he travelled and sold "I thought canned goods out of Leamington. I loved the whole Black family at 10 Askin Street and Aunt Harriet always made me feel at home when I stopped after Victoira school. I well remember Dorothy from when she stayed at our place when Gordon was born. She cooked simething that Dad could not stand and when she went to the kitchen, he put his plate on the floor for the cat, - SURPRISE. Dorothy came back to soon and dad put the dish back on the table and had to finish it so as to not hurt her feelings, i remember the apple tree in your back yard and visited it after school some times. What great time I had as a kid and still go back on occasion. Hoping to go up in October for a few days and up to Goderich/Port Elgin. Well as Donald Duck use to sat "Thats All Folks" I Share in your Loss and God Bless you all. Love Allan
