“ *Don and Colleen made our years in Port Lambton fun and memorable. As we moved around the OPP postings, friends were made and left behind sometimes but never the Davies. It's been a wonderful sustaining friendship which we have continued to enjoy in person occasionally but always able to pick up where we left off and have many a laugh over reminisces of our Port Lambton days. Ted will miss sharing a Scotch and water with Don and we'll both miss those euchre games around the kitchen table. Don always had an infectious laugh and much advise to offer me about how I should be taking card of "Tedward". Donald did some babysitting for us which led to many stories in their adult years about the notorious babysitting care!! However, we look back fondly to all our wonderful years in Port Lambton with the Davies and many people in the community. Don will be missed by many a friend and family alike. Our sincere sympathy to all the family..*

“ Whenever I saw Uncle Don, he always had a smile on his face. I'll always remember that larger-than-life smile, whether he was sharing one of his stories or just listening to what was going on in your life. He had such a big personality, and was always so full of life and energy. I'll miss him a lot. My thoughts are with Colleen and the rest of the family.
