“ *Tonight we were thinking of all the great memories we had with Don as we were sipping a glass of Don's homemade wine that he gave us several months ago.....His huge smile, kind heart and quick wit. We will always remember you for your love of the Leafs, fishing, the great chats we would have and of course how much you meant to our Mom. Thanks Don for being such an important part of Mom's life, looking out for her and being a big part of our entire family's lives - you will be dearly missed by us all. Blessings go out to your wonderful family, who we can't express enough gratitude for all that you have done for our Mom and allowing her to share in your time of grieving. You are a very special family and we look forward to sharing many more great times together. Love, Curtis, Barb, Michael and Laura*

We have lived next door to one of the most incredible neighbours anyone could ever ask for for 18 and a half years. Yesterday we lost him to cancer... We knew it may be coming, but had no idea it would be this soon. You will always be missed more than I was ever able to tell you Mr. Don Shaw! Thank you so much for being such a huge part of our lives, and such a shining example of selflessness, kindness, and integrity. You have been like a grandfather to our children, and they will miss you dearly. Watch over us from up there just like you did while you were here, and tell Marg we all say "Hi!" — feeling sad.
