*Dear Linda, Jim and family. So sorry to hear of the loss of your Mother. As I sit with her Obituarie from the Courier in front of me , as I watch her lovely Video Tribute my mind goes back to the old neighborhood when we were kids in Abels Park , I can picture your parents and your father walking down the sidewalk . I hope you find peace within yourselves knowing they are together once again. I am sure you will cherish all the beautiful memories in your heart forever. Synthia Trembley & Family*

“ *I have not seen Donna in years however it is funny how one leaves an impression on a person . Years ago when I was a young boy I delivered papers to Donna, I always remembered how friendly she was to me and how she treated me at Christmas. Ray was the same way. My sincere condolences to her entire family.*

“ Our heartfelt sympathies to Linda and Jim and the rest of the family. Donna was an amazing employee running the credit function for Waltec and later for the Custom Products Group. Let's just say you didn't want to have an overdue account and have to deal with Donna. She also loved her lunchtime card games with fellow co-workers like Hugh, Jack and Bill, and of course, her vacations to Los Vegas, where she always came home a winner. We'll miss you Donna.

“ Linda, so sorry to hear of the passing of your dear mother. I knew her for years, from the time we both worked at Wallaceburg Brass in the office. She was always a very quiet and nice lady and a very hard worker. I am happy to read that she passed away peacefully, with you by her side. Our thoughts and prayers are with you.

She never forgot, at Christmas, how much I liked Belgian chocolate, as there was always a wrapped box of truffles for me. How wonderful for her that she is with the glory of God now. Take care* ❤️
