“ *A great and talented woman - I remember well, when our families were together, playing cards, picnics and Sunday dinners. Aunt Donna always had some crafts/creations of some sort on the go and even helped to "bail me out" once by hemming my dress hours before the high school dance. Even though a distance away, I have thought of her and the family often but sadly, busy lives and life take over. She will be fondly remembered in my heart.*
